

SPORTS & ARTS PROGRAM

2023-2024 Sports and Arts Program Application Information Sheet

Thank you for your interest in the Sports & Arts Program, a partnership between the Pembina Trails School Division and the Canadian Sport Centre Manitoba, for the 2023-2024 academic year.

While we'd like to accept all applicants, space is limited and we historically receive more applications than we have space to accept. The information you provide on the application helps us determine which applicants will most benefit from admission into the program.

Please note that entry into grade 9 is limited to French Immersion.
